BOWNET TRAINING BALLS

Pitcher's Spinner Trainers

- Develop spin, improve grip, and increase overall pitch control
- Raised Seams and Exaggerated size to strengthen grip
- Genuine leather optic yellow cover
- For Pitching ONLY

14" - 8oz.

(BN-FP14SPIN)

16" - 9.25oz

(BN-FP16SPIN)

Pitcher's training aid to help improve grip, develop spin, and increase overall pitch control.

- Raised Seams
- Real Leather cover softball with flat sides to focus on spinning
- The black center line is used to indicate correct spin and rotation on every pitch.

Flat Hit

Softball Hitting Trainer (BN-FP FLAT-6 PK)

Training aid to help hitters see the center of the ball, see the launch angle, and hit the correct half of the ball.

- Raised Seams
- Real Leather cover softball with a flat side to focus on hitting the ball on plane at launch angle
- Black center line to indicate the center of the ball and launch angle of the ball at impact.

NEW!

Blast Ball

8" Foam Balls (BN-BLAST BALL)

NEW!

The firm, yet soft lightweight foam allows for the balls to be pitched in the Blast Machine, yet also safe for indoor hitting.

- Specifically engineered for The Blast Pitch Machine
- 8" size helps improve hand-eye coordination
- Weight: 1 oz.
