# HOW BIG ARE YOU?

YOUTH TO PRO, BOWNET HAS A PERFECT LINE-UP FOR YOUR TEAM!

## Big Mouth Jr®

The little brother to the world's most popular training net, The Big Mouth Jr stands 6'x 6' and is perfect for youth baseball, softball, hitting, pitching, tee-ball and even infield drills.

Foldable hinged frame quickly assembles in 60 seconds with no tools, pins, or buttons required.

See page 7

## X SERIES

Bownet's Big Mouth® X has become the industry standard for hitting and pitching training for baseball, softball and tee-ball. This large 7'x7' net is used more than any other training net on the market today.

See why Coaches, Teams, and Players everywhere all use Bownet's Big Mouth.

See page 4

## PRO SERIES

The big brother in the line up of training and protection nets, the Bownet Pro Series is the next step up for the developing baseball and softball player. Standing slightly larger at 8' tall, the Pro Series delivers the quality and durability serious players and coaches rely on.

See page 12

## ELITE SERIES

The largest and strongest in the Bownet family of baseball and softball training nets, the Elite Series nets are designed for the heavy hitters, and meant to withstand the rigorous drills of college players and up thru the pros. Heaviest gage netting, strong canvas trim, heavy duty steel legs and thickest fiberglass poles make these nets the most durable in the industry and will outlast traditional steel frame nets.

## The Next Generation 7'x7' Portable Hitting Net

### It's All About The Frame!

#### Increased Stability

Heavier gauge steel base will stay balanced on any surface and withstand heavy winds and the hardest hits and pitches from the most elite athletes.

#### Fewer Parts

The NEW one-piece base frame is hassle-free because there are fewer parts to lose. The connector (Patent Pending) is made of a tough glass filled synthetic polymer that combines the hinge and pole sockets, for ease of assembly.

#### Faster Set-up

With fewer parts, Bownet's Big Mouth X set's up in as little as 60 seconds, allowing more time for practice.

#### Longer Lifespan

Heavier, powder coated steel base frame construction is engineered to outlast any frame on the market. Includes a one-year manufacturer's warranty.

#### Reinforced Carry Bag

The NEW carry bag is shaped to better fit the NEW X Frame and net. Heavier weight, 600D canvas and reinforced rubberized PVC ends means this bag will last longer and better protect your investment.

#### Fits All Existing 7x7 Nets

The New X-Frame will still fit the Big Mouth & Big Mouth Colors, Soft-Toss, Pitch Thru Screen, iScreen, Infielder, Wiffle Net and Golf Net

# Utili Tee

REVOLUTIONIZE THE WAY YOU TRAIN

The Utilitee Stand has an all-weather urethane upper and steel lower shaft for superior impact resistance and designed to withstand thousands of hits. The adjustable base makes it easy-to-use for players of all ages.

Durable steel collapsible tripod legs provide Utilitee with a low center of gravity and easily fits over any home plate for a balanced even hitting plane which maximizes your practice time by keeping your Utili Tee upright.

**A**  
Adjustable  
from 28" to 51"

**B**  
Adjustable

**C**  
Adjustable  
from 24" to 42"

**\$74<sup>99</sup>**

Choose Your Utilitee Stand with -

### **A** Wrap Top (Util-Stand-Wrap)

For batters more comfortable with the traditional tee top that is the industry standard, Utilitee offers this extremely durable, yet flexible, rubber wrap top.

### **B** Mesh Top (Util-Stand-Mesh)

The Utilitee Mesh Top is the latest innovation in Tee Tops. Made from a special abrasion resistant poly filament, this tee top gives the batter the most amazing feeling on contact, with the least resistance and incredible exit speed.

**Manufacturer's Lifetime Warranty**

### **C** Brush Top (Util-Stand-Brush)

Specially engineered, nylon bristle brush top heads provide a game like feel and give Utilitee the advantage over traditional tees.

# Attachment Pack

(Util-Access)

**Bownet Sports is proud to present the ONLY 4 in 1 Hitting System available!**

Utili Tee finally allows a hitter to build the proper muscle memory with its instant feedback attachments. Each attachment improves your mechanics with every swing you take.

Each attachment simply 'snaps' into place on top of the upper shaft. With minimal effort, you are able to switch out any attachment to practice any aspect of your swing. No longer do you need to spend any additional money buying two, three or even four tees to meet your hitting needs!

#### Attachment Pack Includes

- Classic Brush Top
- Perfect Cut
- Cast-Away
- In and Out
- Protective Caps
- Carry Case
- System Weight - 4.5lbs.
- Shipping Weight - 5lbs.
- Box Size 26" x 10" x 4"

**\$74<sup>99</sup>**

### Protective Caps

All tops include protective caps.

### Cast-Away®

The casting pole encourages you to maintain correct hand and bat position through contact with the ball. By doing so, you create a short and compact bat path, preventing you from "casting" your hands out producing the undesired "long swing".

### Perfect Cut®

The Perfect Cut attachment forces you to attack the top half of the ball. Build your muscle memory to prevent such common hitting mistakes as a collapsing backside, dipping shoulders, and 'flying open'.

### In and Out®

The In and Out stresses the importance of your bat path and batting stance to properly attack the ball on both the inside and outside part of the plate.

### Add-On a Travel Bag

(Util-Travel-Bag)

Built to carry the Tee plus all the attachments with room to spare.

# PROMAG TEE

## ProMag™ Tee

Train like a pro with Bownet's new ProMag™ Tee. The 10lb heavy-duty rubber base gives the ProMag Tee amazing stability, along with Bownet's patented Mesh-top means the ProMag Tee will withstand even the strongest hitters.

The key to the ProMag strength is the Patented Magnetic Base Post that creates a powerful and secure connection, locking the tee to the base for a balanced low center of gravity.

The magnetic connection allows the tee to be moved around to work on inside & outside ball locations without the base disconnecting.

**\$99<sup>99</sup>**

Includes Mesh-Top with lifetime warranty

Telescoping shaft is adjustable from 22" to 42" tall

Patented chrome plated magnetic tee post slots into steel plate base for secure connection

# BARRIERS

Managing shared space for practice and games can often be a challenge and even an issue of safety. Coaches, Leagues, Schools, Parks and Facilities struggle with the challenge of running multiple teams, even multiple sports, in small spaces. Chasing balls all over the field not only brings your game or practice to a halt but can also become an issue of player or spectator safety. Bownet Barriers are the perfect solution for preventing a missed pass or shot at goal from traveling into the game next door or even into the stands.

## Barrier Net

(Bow-Barrier)

The largest in the series of Bownet Barriers, this enormous wall stands 21'6" wide x 11'6" tall. Bownet's most popular protection Barrier for schools, teams, clubs and athletic facilities everywhere.

- Bag Size - 54" x 12" x 8"
- Set-up Time: 80 sec. (2 people)

**\$399<sup>99</sup>**

## Low Barrier Net

(Bow-LowBarrier)

The little brother to the Barrier Net the Low Barrier is still a huge 21'6" wide x 8' tall.

- Bag Size - 54" x 12" x 8"
- Set-up Time: 80 sec. (2 people)

**\$399<sup>99</sup>**

## A 8' x 8' Barrier

(Bow-fungo-bari)

- Weight - 29lbs
- Bag Size - 50" x 9" x 6"
- Set-up Time: 90 sec.

**\$299<sup>99</sup>**

## D 18' x 2'9" Low Barrier

(Bow-18x2-9-net)

- Weight - 23lbs
- Bag Size - 50" x 12"
- Set-up Time: 90 sec.

**\$229<sup>99</sup>**

## E 12' x 3' Low Barrier

(Bow-12x3-net)

- Weight - 16lbs
- Bag Size - 48" x 9" x 7"
- Set-up Time: 55 sec

**\$199<sup>99</sup>**

Barriers are a great way to divide up shared space and keep players and coaches safe.
