

BOWNET[®]

BASEBALL & SOFTBALL

**The World's Best Portable Sports
Nets, Goals, Training Systems
and More!**

In 2003 Bownet® revolutionized the sports industry by creating the first ever portable nets and goals with “BOWpole” technology, thus inventing the Energy Absorption System® and changing the way in which all portable nets and goals are made today.

The EAS® design allows Bownet to flex and bend reducing stress and tension on the net giving you a more stable and balanced while also increasing the lifespan.

Bownet started with the idea that nets and goals should be easier and safer to use for all ages and should be so simple to set up that more time could be spent coaching, playing and just having fun.

Today Bownet has become the most trusted... the most used, portable training nets for Baseball and Softball available today!

Bownet's Big Mouth® series of training nets are the most trusted portable training nets for baseball and softball available. From youth to pro, Bownet has the right training net for the developing player.

Check out all the new Bownet gear for Teams, Coaches and Players.

BIG MOUTH X

The Next Generation 7'x7' Portable Hitting Net

NEW!
X-Frame Technology™
Patent Pending

It's All About The Frame!

Increased Stability

Heavier gauge steel base will stay balanced on any surface and withstand heavy winds and the hardest hits and pitches from the most elite athletes.

Fewer Parts

The NEW one-piece base frame is hassle-free because there are fewer parts to lose. The connector (Patent Pending) is made of a tough glass filled synthetic polymer that combines the hinge and pole sockets, for ease of assembly.

Faster Set-up

With fewer parts, Bownet's Big Mouth X set's up in as little as 60 seconds, allowing more time for practice.

Longer Lifespan

Heavier, powder coated steel base frame construction is engineered to outlast any frame on the market. Includes a one-year manufacturer's warranty.

Reinforced Carry Bag

The NEW carry bag is shaped to better fit the NEW X Frame and net. Heavier weight, 600D canvas and reinforced rubberized PVC ends means this bag will last longer and better protect your investment.

Fits All Existing 7x7 Nets

The New X-Frame will still fit the Big Mouth & Big Mouth Colors, Soft-Toss, Pitch Thru Screen, iScreen, Infielder, Wiffle Net and Golf Net

BOWNET

ELITE SERIES

The largest and strongest in the Bownet family of baseball and softball training nets, the Elite Series nets are designed for the heavy hitters, and meant to withstand the rigorous drills of college players and up thru the pros. Heaviest gage netting, strong canvas trim, heavy duty

steel legs and thickest fiberglass poles make these nets the most durable in the industry and with **Bownet's Energy Absorption System (EAS®)** these nets have an advantage and will outlast traditional steel frame nets.

Heavy duty steel collapsible legs for easy set-up.

Strong Canvas Trim and Heavier Gage netting.

Netting is attached to frame for stronger hold and allows for quicker set-up and take-down but can still be replaced if needed

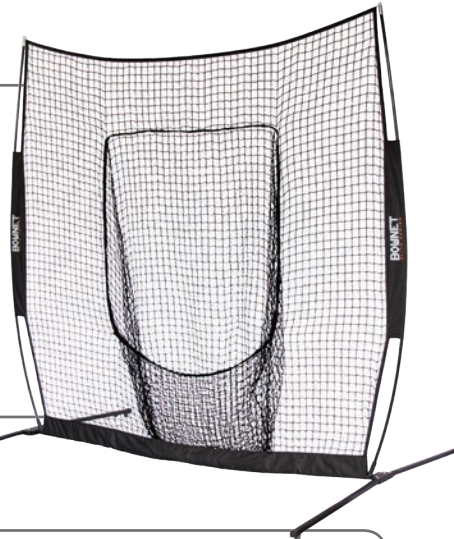

Thicker fiberglass poles for better energy absorption

Big Mouth Elite® (Elite-Bigmouth)

When you're training like a pro, the Big Mouth Elite is the best it gets. Standing 8' x 8' this batting and pitching practice net is sure to become a favorite in the semi-pro and elite sports industry.

- Weight - 30lbs.
- Carry Bag Size - 48" x 7 x 6"

\$299⁹⁹

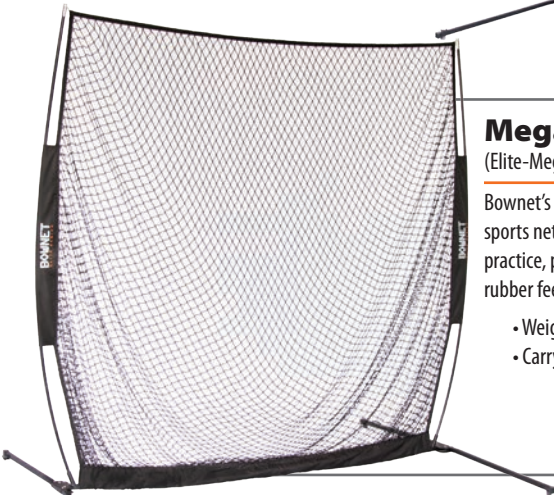

Mega Mouth Elite® (Elite-Megamouth)

Bownet's Mega Mouth Elite is an 8' x 8' portable elite sports net that works great for soft-toss, batting tee practice, pitching practice and protection. Non-marking rubber feet makes it great for indoors or out.

- Weight - 30lbs.
- Carry Bag Size - 48" x 7 x 6"

\$299⁹⁹

Elite Protection® (Elite-Protect)

The Bownet Elite Protection net is the heavy duty protection net in the Bownet line-up. Standing 8' x 8', this protection net offers the toughest Elite netting and thick black canvas trim. Heavyweight steel collapsible legs makes this the best choice for coaches.

- Weight - 30lbs.
- Carry Bag Size - 48" x 7 x 6"

\$299⁹⁹

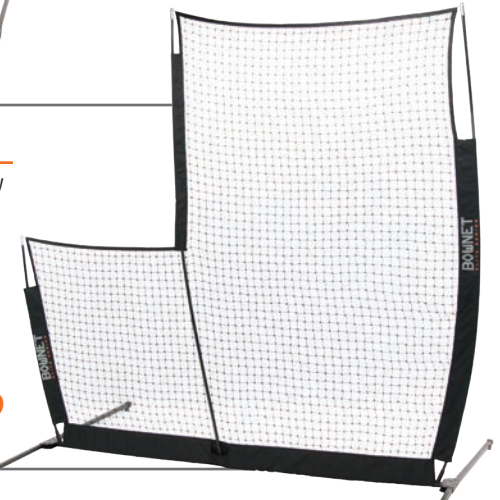

L-Screen Elite® (Elite-L Screen)

Protect yourself during pitching practice from the heavy hitters with the L-Screen Elite. Heavy duty knotted screen offers the most protection available. Non-marking rubber feet makes it great for indoors or out. Flip either direction for right or left handed pitchers.

- Weight - 30lbs.
- Carry Bag Size - 48" x 7 x 6"

\$299⁹⁹

Utili Tee

REVOLUTIONIZE THE WAY YOU TRAIN

The Utilitee Stand has an all-weather urethane upper and steel lower shaft for superior impact resistance and designed to withstand thousands of hits. The adjustable base makes it easy-to-use for players of all ages.

Durable steel collapsible tripod legs provide Utilitee with a low center of gravity and easily fits over any home plate for a balanced even hitting plane which maximizes your practice time by keeping your Utili Tee upright.

\$89⁹⁹

Choose Your Utilitee Stand with -

A Brush Top (Util-Brush)

Specially engineered, nylon bristle brush top heads provide a game like feel and give Utilitee the advantage over traditional tees.

Adjustable from 24" to 42"

B Mesh Top (Util-Mesh)

The Utilitee Mesh Top is the latest innovation in Tee Tops. Made from a special abrasion resistant poly filament, this tee top gives the batter the most amazing feeling on contact, with the least resistance and incredible exit speed.

Adjustable from 26" to 44"

C Wrap Top (Util-Wrap)

For batters more comfortable with the traditional tee top that is the industry standard, Utilitee offers this extremely durable, yet flexible, rubber wrap top.

Adjustable from 28" to 51"

Attachment Pack

(Util-Access)

BowNet Sports is proud to present the ONLY 4 in 1 Hitting System available!

Utili Tee finally allows a hitter to build the proper muscle memory with its instant feedback attachments. Each attachment improves your mechanics with every swing you take.

Each attachment simply 'snaps' into place on top of the upper shaft. With minimal effort, you are able to switch out any attachment to practice any aspect of your swing. No longer do you need to spend any additional money buying two, three or even four tees to meet your hitting needs!

Attachment Pack Includes

- Classic Brush Top
- Perfect Cut
- Cast-Away
- In and Out
- Protective Caps
- Carry Case
- System Weight - 4.5lbs.
- Shipping Weight - 5lbs.
- Box Size 26" x 10" x 4"

\$89⁹⁹

Protective Caps

All tops include protective caps.

Cast-Away®

The casting pole encourages you to maintain correct hand and bat position through contact with the ball. By doing so, you create a short and compact bat path, preventing you from "casting" your hands out producing the undesired "long swing".

Perfect Cut®

The Perfect Cut attachment forces you to attack the top half of the ball. Build your muscle memory to prevent such common hitting mistakes as a collapsing backside, dipping shoulders, and 'flying open'.

In and Out®

The In and Out stresses the importance of your bat path and batting stance to properly attack the ball on both the inside and outside part of the plate.

Add-On a Travel Bag

(Util-Travel-Bag)

Built to carry the Tee plus all the attachments with room to spare.

BARRIERS

Managing shared space for practice and games can often be a challenge and even an issue of safety. Coaches, Leagues, Schools, Parks and Facilities struggle with the challenge of running multiple teams, even multiple sports, in small spaces. Chasing balls all over the field not only brings your game or practice to a halt but can also become an issue of player or spectator safety. Bownet Barriers are the perfect solution for preventing a missed pass or shot at goal from traveling into the game next door or even into the stands.

Barrier Net

(Bow-Barrier)

The largest in the series of Bownet Barriers, this enormous wall stands 21'6" wide x 11'6" tall. Bownet's most popular protection Barrier for schools, teams, clubs and athletic facilities everywhere.

- Bag Size - 54" x 12" x 8"
- Set-up Time: 80 sec. (2 people)

\$399⁹⁹

ICE THERAPY ICE20 TWENTY ON - TWENTY OFF

Baseball and Softball players put incredible stress on their bodies, especially their Shoulders, Arms and Knees. ICE20 is a must-have for every coach and player.

- ICE20 stays in place and is designed for comfort and mobility.
- ICE20 stays colder longer than gel packs providing the most effective recovery.
- Refillable and removable, no-leak ice bag with an easy-open cap.
- Highest quality neoprene (latex free) with adjustable straps giving you the most comfortable, form-fitting therapy.

ICE20 BAGS

The ICE20 Bag is a durable, removable, refillable, no-leak ice bag with a soft cotton exterior providing the most comfortable fit of any ice bag with no condensation. The easy-to-open, wide-mouth lid makes it simple to fill and clean.

ICE20 Bags are lined with a high quality rubberized interior that keeps the ice cold for hours longer than conventional gel packs and **NO CHEMICALS - It's just ice!**

All ICE20 Wraps use either 9" or 11" ICE20 Bags. Available as stand-alone or replacements.
