

BOWNET PROTECTION NETS

Body Guard™

- 7' of reliable protection during slow pitch or coaching with front toss
- Engineered to stop the hardest up-the-middle line drive
- Sets up in 90 seconds

Pitching Screen

- Triangular frame allows for left and right handed pitching
- Lightweight net is a great alternative to traditional L-Screen nets giving more protection coverage and easier maneuvering across the field

Flat Top

- Ability to adjust the net for your preferred front toss, either sitting or standing from 5'6" to 7'6"
- Sets up in 150 seconds

Energy Absorption System™ Technology: a more balanced net adds flexibility and stability upon impact.

Soft Toss

- 7' of protection for dividing practice stations during soft toss, batting, and pitching practice
- Fits 7x7 frame

iScreen

- 7' of protection ideal for outfield and infield during batting practice and front toss practice
- Fits 7x7 frame

Pitch Thru Screen

- Designed specifically for softball pitching practice
- Fits 7x7 frame

Fungo Barrier

- 8' of protection
- An ideal choice for managing shared spaces in a confined area during a game or practice drill
