

Utili Tee

REVOLUTIONIZE THE WAY YOU TRAIN

Utilitee Stand with Mesh Top[®] (Util-Stand-Mesh)

The Utili Tee[®] hitting stand is truly one of a kind. Unique and effective, Utilitee is more than a tee, it is the only complete batting system for baseball and softball ever created!

The Utilitee Mesh Top[®] is the latest innovation in Tee Tops. Made from a special abrasion resistant poly filament, this tee top gives the batter the most amazing feeling on contact, with the least resistance and incredible exit speed.

Great for Baseball & Softball

Attachment Pack

4 in 1 Hitting System

Utili Tee[®] finally allows a hitter to build the proper muscle memory with its instant feedback attachments. Each attachment improves your mechanics with every swing you take.

Each attachment simply 'snaps' into place on top of the upper shaft. With minimal effort, you are able to switch out any attachment to practice any aspect of your swing. No longer do you need to spend any additional money buying two, three or even four tees to meet your hitting needs!

Purchase the Utilitee and the Attachment Pack to make the most effective Pro Hitting System on the Market... and on the field!
